**NOTE:** This **Summary Sheet** may be used only after the High Contracting Party has submitted its first national report pursuant to the Decision of the Third CCW Review Conference. Only the reporting forms which are indicated as „changed“ have to be submitted thereafter together with the Cover page and the Summary Sheet.
FORM A: Dissemination of information

Paragraph 5 of the Decision on Compliance:

“The High Contracting Parties will provide information [...] on:

(a) Dissemination of information on the Convention and its annexed Protocols to their armed forces and to the civilian population;”

High Contracting Party: THE REPUBLIC OF CROATIA

Reporting period: from 1/01/2015 to 31/12/2015

☑ additional information of dissemination of information on CCW Amended Protocol II to armed forces and civilian population is contained in the National Annual Report provided in accordance with paragraph 4(a) of Article 13 of Amended Protocol II for the year: 2015

☑ additional information on dissemination of information on CCW Protocol V is contained in the National Report provided pursuant to paragraph 2 (b) of Article 10 of Protocol V for the year: 2015

Information to the armed forces, including the extent to which the CCW and its Protocols are part of military manuals and the training curriculum of its armed forces:

The introduction of the newly signed Convention on Cluster Munitions to the Armed Forces at the Croatian Defense Academy was used to reshape and expand the curriculum time dedicated at all levels of education on the agreements, treaties and conventions signed and ratified by the Republic of Croatia. Starting at basic, advance and senior NCO courses it expands and gets more in-depth coverage all the way up to the War College level. This is particularly important today, as Croatia is a NATO member and its armed forces have to be well informed on the obligations and implications stemming from the many signed agreements and conventions that affect their actions during stability operations and other international deployments. The new expanded curriculum is being implemented from the beginning of September 2011. and is being updated all the time.

Information to the civilian population, including information on any programs, courses or documentation to disseminate the CCW to non-military audiences:

Dissemination of information about the CCW and its protocols to civilian population is performed through mine risk education (MRE) activities. Croatian Ministries, Offices of the Government and State Administrative Offices as well as NGOs and international organizations, pass specific training according to their role in the national implementation of the Convention and Protocols. Croatian Red Cross with its local branches (in local communities), Croatian Mine Action Centre (CROMAC), Ministry of Interior and the Association of Civil Victims of Homeland War are active in events and lectures where MRE messages are given.
