专家会议
2015年8月10日至14日
议程项目9
通过反映会议审议情况的记实性报告

专家会议的报告

主席提交
Annex I [English only]
Agenda item 7:
2. Ways and means to enhance national implementation, sharing best practices and experiences, including the voluntary exchange of information among States Parties on their national implementation, enforcement of national legislation, strengthening of national institutions and coordination among national law enforcement institutions

关于阿根廷的条目应改为

Argentina recalls the necessity of a common approach to face obstacles and difficulties in the implementation of the Convention. It is not sufficient to accede to the Convention and approve its laws and necessary regulation, if this is not accompanied by budgetary, educational and operational measures, with the participation of all the national actors, that are considered necessary for the full achievement of the objectives of the Convention. Regional and multilateral cooperation may play a key role in this respect.
