2007 Session
Geneva, 19-22 June 2007
Item 2 of the Provisional Agenda
Adoption of the Agenda

Provisional Agenda

Proposal by the Chairperson

1. Opening of the Session of the Group of Governmental Experts.

2. Adoption of the Agenda.

4. Organization of work of the Group of Governmental Experts including that of the Meetings of Military and Technical Experts.

5. Background documentation.

6. Consideration of the results of the ICRC Meeting of experts on cluster munitions¹.

7. Application and implementation of existing international humanitarian law to specific munitions that may cause explosive remnants of war, with particular focus on cluster munitions, including the factors affecting their reliability and their technical and design characteristics, with a view to minimizing the humanitarian impact of the use of these munitions.

9. Any other issues.

10. Adoption of procedural report.

¹/ Reissued for technical reasons.

¹ The Meeting of experts on cluster munitions was held in Montreux, 18 to 20 April 2007.
