Form F  Status of programs for destruction of APMs

Article 7.1  "Each State Party shall report to the Secretary-General ... on:

f) The status of programs for the destruction of anti-personnel mines in accordance with Articles 4 and 5, including details of the methods which will be used in destruction, the location of all destruction sites and the applicable safety and environmental standards to be observed."

State [Party]:  The Kingdom of the Netherlands

reporting for time period from 1 January 2004 to 31 December 2004

1. Status of programs for destruction of stockpiled APMs (Article 4)

Description of the status of programs including:
Location of destruction sites, methods, applicable safety standards, applicable environmental standards

No destruction during the reported period, the Kingdom of the Netherlands completed its destruction obligations in 2002.

2. Status of programs for destruction of APMs in mined areas (Article 5)

Description of the status of programs including:
Location of destruction sites, methods, applicable safety standards, applicable environmental standards

No destruction during the reported period
Form G APMs destroyed after entry into force

Article 7.1 "Each State Party shall report to the Secretary-General ... on:
g) The types and quantities of all anti-personnel mines destroyed after the entry into force of this Convention for that State Party, to include a breakdown of the quantity of each type of anti-personnel mine destroyed, in accordance with Articles 4 and 5, respectively, along with, if possible, the lot numbers of each type anti-personnel mine in the case of destruction in accordance with Article 4"

State [Party]: The Kingdom of the Netherlands
reporting for time period from 1 January 2004 to 31 December 2004 (For the Netherlands the Treaty entered into force on 1 October 1999)

1. Destruction of stockpiled APMs (Article 4)

<table>

Form I  Measures to provide warning to the population

Article 7.1  "Each State Party shall report to the Secretary-General … on:

i) The measures taken to provide an immediate and effective warning to the population in relation to all areas identified under paragraph 2 of Article 5."

Remark: In accordance with Article 5, para.2: "Each State Party shall make every effort to identify all areas under its jurisdiction or control in which anti-personnel mines are known or suspected to be emplaced and shall ensure as soon as possible that all anti-personnel mines in mined areas under its jurisdiction or control are perimeter-marked, monitored and protected by fencing or other means, to ensure the effective exclusion of civilians, until all anti-personnel mines contained therein have been destroyed. The marking shall at least be to the standards set out in the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996, annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

State [Party]:  The Kingdom of the Netherlands

reporting for time period from 1 January 2004 to 31 December 2004

[Narrative:] As stated above there are no mined areas in the Netherlands.
Form J  Other relevant matters

Remark: States Parties may use this form to report voluntarily on other relevant matters, including matters pertaining to compliance and implementation not covered by the formal reporting requirements contained in Article 7. States Parties are encouraged to use this form to report on activities undertaken with respect to Article 6, and in particular to report on assistance provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

State [Party]: The Kingdom of the Netherlands

reporting for time period from 1 January 2004 to 31 December 2004

[Narrative / reference to other reports]

In the year 2004 the Netherlands spent USD 14,789,729,- on mine action activities. An overview of the assistance given by the Netherlands is available on the UNMAS web-site/mine action investment database (http://webapps.dfait-maeci.gc.ca). A copy of the Netherlands contribution to mine action (including stockpile-destruction) in the year 2004 in USD is attached to this form.

A part of this assistance was provided for the care and rehabilitation, and social and economic reintegration, of mine victims.

A liaison-officer provided to the Mine Action Centre in Bosnia-Herzegovina has been withdrawn in July 2004. Currently no military personnel has been deployed abroad for the purpose of humanitarian mine clearance assistance.
