FORM A: Dissemination of information

Paragraph 5 of the Decision on Compliance:

“The High Contracting Parties will provide information [...] on:

(a) Dissemination of information on the Convention and its annexed Protocols to their armed forces and to the civilian population;”

High Contracting Party: NORWAY

Reporting period: from 01/01/2018 to 31/12/2018

☐ additional information of dissemination of information on CCW Amended Protocol II to armed forces and civilian population is contained in the National Annual Report provided in accordance with paragraph 4(a) of Article 13 of Amended Protocol II for the year: _______

☐ additional information on dissemination of information on CCW Protocol V is contained in the National Report provided pursuant to paragraph 2 (b) of Article 10 of Protocol V for the year: _______

Information to the armed forces, including the extent to which the CCW and its Protocols are part of military manuals and the training curriculum of its armed forces:

Core training includes training in mine-clearing and mine-laying to enable the individual soldier to survive during the common situations of land-mine warfare. Officer- and NCO-education includes the legal aspect of the Amended Protocol II. All military personnel participating in Peace Support Operations (PSO) are obliged to participate in a national Mine Awareness Course before deployment.

Information to the civilian population, including information on any programs, courses or documentation to disseminate the CCW to non-military audiences:

NORWAY has no land-mine contaminated areas. WW II UXOs detected by civilians are reported to local police authorities. This is a well established practice since WW II. The police subsequently inform the Armed Forces for disposal.
